

# *I Notice, I Wonder, It Reminds Me Of...*

## *An exploration routine that:*

- \* supports students as they develop a mindset of curiosity and use language to actively and directly engage with the natural world
- \* supports social and emotional learning by offering skills for reflection and by setting a tone of learning, collaborating, and listening
- \* helps educators to create an inclusive and culturally relevant learning environment, by scaffolding cognitive thinking skills
- \* encourages students to reflect on, value, and share relevant connections from their lived experiences and perspectives

# *I Notice, I Wonder, It Reminds Me Of...*

## *Students will...*

- ★ Increase curiosity about and directly engage with aspects of the natural world.
- ★ Make observations, ask questions, and relate findings to past experiences.
- ★ Learn that descriptive observations are distinct from statements of opinion or identification.

“I see no more than you, but I have trained myself to notice what I see.”

– Sherlock Holmes

I Notice ...

I Wonder ...

It Reminds Me Of...
